Ultrasound-Guided  
FNA Biopsies by  
FNA Specialist and  
Cytopathologist

**Celina M. Nadelman,  
M.D.**

# Guarantee Diagnostic Results with an FNA Specialist

- **Fast and Accurate Results**
- **Preliminary Results within 12-24 hours**
- **Minimally invasive and cost effective.**
- **We accept most major PPO's and Medicare**
- **Repeat biopsies avoided because biopsy is performed and interpreted by a board certified cytopathologist**
- **Comfortable and compassionate environment.**
- **Small boutique style practice allows extra safety precautions for our patients.**
